# 1. The Experts not always Right

1 - a key of experts - Dr. Gen Practice →  
① Propaganda ② Private eye "we try harder"  
marriage

2 - you're going to listen to somebody -  
take your cue

3 - Experts not always right - no 11

Playboy - 1956 - Hemingway "what gusto"

4 - Pre-marital sex - But Troy fail to mention  
pain of guilt, shame of discovery, disgrace  
of illegitimacy - it taken consensual

5 - Wouldn't listen to Paul - But he had had a  
conference of one who poured water into ocean &  
~~control~~ controlled wind - O made life,  
~~sex~~ sex, etc. Similar Jesus

5 - Qualify as expert on life = "tempted  
in all points - get w/out sin -" w/out  
failure  
- young girl in Jewry

today there are people (scholars) saying + not O -  
said same thing 2000 ago - wouldn't rise - but did.

→ the gentle south wind ~~made~~ artificial seemed to  
confirm judgment of those in charge.

O hasn't changed His Nature & His Nature is  
standard of all life -
