The Three Spirits of Christmas

The birth of X is both a fulfilment of prophecy
or a prophecy itself - men began giving themselves
into 3 distinct categories ~~and~~ = ~~then~~ a
prophecy of men's reaction to X

I. Spirit of antagonism = a rival, threatens his
rule

- Keep Jesus a baby = That's the spirit of many
Jesus in the manger - not find a throne

Herod didn't want Jesus interfering = His position,
Herod had absolute blood, not a legal say

- Herod killed mother, wife + 3 sons because
he suspected they wanted his throne.

- Men constantly late to work = one more time + just =
"Look at that clock!" "Bolted clock from wall,
smashed it -" "I'm not late = destroy clock +
destroy tardiness."

II - Spirit of apathy - chief priests + scribes
were stuck in book day after to dark

etc - Scientist indifferent to arrow shot.

When X came to Golgotha, they hanged him on a tree
they drove great nails thru hands + feet + made a Calvary
by crowning him w/ a crown of thorns + it was his
wounds + deep

for men were cruel + cruel day = + human
flesh was cheap.
