~~His Can't be known~~

This is Love of  $\Theta$ : Keeping His Commandments -  
& they are about irksome because we have  
overcome the world - what has overcoming the world  
got to do w/ keeping  $\Theta$ 's commandments?

Def. of world - The spirit opposed to  $\Theta$ , contrary  
to  $\Theta$ 's will & way & word - the world seeks to  
draw us away from  $\Theta$  - The world influences,  
exerts influence; us away from  $\Theta$ 's will -  
we have conquered that magnetic force of evil -  
The world seeks to keep us from obeying  $\Theta$ 's command-  
ments, therefore we're able to =  $\Theta$  doesn't  
command w/out imparting power to obey  
that command -

what overcomes the world? - our strength,  
holiness, effort, spiritual ability? - no = Faith.

The victorious Christian life is a life of  
keeping  $\Theta$ 's commandments, living in the  
center of His will - to do this, must  
overcome the world. (Revelation)
