## Personnel Committee Still Praying, Looking

### A Message From Your Pastor

#### GOD GIVES BLESSED REVIVAL IN MEMPHIS

This past week we witnessed the blessings of God poured out at the Leaswood Baptist Church in Memphis, Tennessee. This church is experiencing a remarkable continuing REVIVAL. I don't know that I've seen anything like it on a continuing basis. Every night we had a full house with many, many decisions each time the invitation was given. What impressed me most was . . . there wasn't a single STRANGER saved! Everyone who came trusting Christ was either brought by some friends or, if they went forward by themselves, two or three people from the congregation rushed forward to meet and embrace them. It was a remarkable demonstration of love and concern for the lost. It was a week I'll never forget and I encourage you to pray for this church and its great pastor, Dr. Jerry Glisson. And, by the way, thanks for your faithful intercession during the meeting.

#### CHRISTIAN LIFE CONFERENCE ON ITS WAY

I continue to receive letters from pastors and others who are anticipating being with us in our Christian Life Conference. A professor from the University of Utah asked if he could come with his pastor if he paid his own way. Praise the Lord for the excitement He is generating concerning this meeting. I'm confident it's going to be one of the greatest, if not the greatest, weeks in the history of our church. ARE YOU READY . . . SPIRITUALLY . . . for what God wants to do IN YOUR LIFE?

While we're thinking of these 61 pastors and their wives we're bringing from the pioneer areas, let's not forget God wants to do something for us and in us, as well.

This past Sunday another \$700.00 came in toward the expense of the conference. Remember the total needed is around \$15,000. I don't have the exact figures but I believe we're close to the \$10,000 mark. Just about \$5,000 more is all we need. And God will supply that as He has promised.

#### WE ARE STILL TRUSTING THE LORD FOR A MAN

Last night we talked to the man our committee had invited to come as Minister of Education and he said the Lord just wasn't leading him to accept. We were disappointed, but who could we complain to? The Lord? If it's good enough for the Lord, it's good enough for me. So I say, Let's just praise the Lord for it all. That means He has someone better suited to our needs.
