# CHURCH PICNIC FRIDAY, AUGUST 20, 6:00-9:00

## PASTOR'S CORNER

### INTERESTING SURPRISE GREETS VISITOR

After last Sunday morning's service I met an out of town visitor on the parking lot. He said he received two surprises from our worship service: (1) he didn't know that many people went to church anymore, and, (2) he didn't know people ENJOYED church that much.

His second surprise interested me. Here's a man who is surprised that Christians enjoy worshipping Jesus Christ. And yet, irrepresible JOY was one of the chief characteristics of the early Christians. Twice the Pharisees criticized Jesus because HIS disciples were HAPPY! I doubt if that same charge could be leveled against 20th century disciples. What a tragedy. The average Christian acts like he's attending a funeral and the average worship service is "like unto a funeral."

But the fruit of the Spirit is JOY. And when He possesses completely the lives of men and women, the inevitable result is JOY UNSPEAKABLE AND FULL OF GLORY.

Praise the Lord that this visitor was able to see the fruit of Spirit-filled lives worshipping the Living Lord.

JESUS IS LORD AND IN CONTROL. That glorious fact produces a great feeling.

### FORMER MEMBERS AMONG OUR VISITORS

It's always good to see former members in our services. Last Sunday the Bakers from Midland and the Brewers from Houston visited our morning service.

Jim and Lou Ann Brewer stayed over to house-hunt and we were able to visit with them for a while. They are now on the staff of Campus Crusade for Christ. Jim shared with me how he discovered the wonderful secret of the Spirit-filled life. It's exciting to see how Jesus is working in the lives of so many laymen today and He's only begun!

### TICKETS ARE NOT NECESSARY TO ATTEND GRAHAM CRUSADE

Primarily, the tickets are to give to people outside our church and gets them into a reserved section. But no one needs a ticket to get in.

### THE GRAND TETONS

There are probably no mountains in the world more impressive than the Grand Teton range in western Wyoming. Without foothills to obscure them, the huge granite peaks soar to heights of more than a mile above Jackson Hole, a flat plain on their eastern side. At the foot of the mountains are a string of lakes, one more beautiful than the other.

Most of the range and Jackson Hole are contained in Grand Teton National Park which also includes a national elk refuge and a wildlife park.

WHAT AMERICA surely needs now is a return to those original ideals that have been the sources of her greatness. — Arnold Toynbee.

THE CHURCH alone can put a Christian heart in social activities, clothe them with moral significance and motivate them with spiritual propulsion. — Fred Pierce Corson.

IF YOU wish to be happy yourself, you must resign yourself to seeing others also happy. — Bertrand Russell.

I DON'T like these cold, precise, perfect people, who, in order not to speak wrong, never speak at all, and in order not to do wrong, never do anything. — Henry Ward Beecher.
