

PRAISE THE LORD!

GOODBYE TO SCHOEPPEYS

It was a sweet time of fellowship last night as our church said goodbye to the Jack Schoeppeys. There's no doubt that God brought Jack to us 12 years ago — and there's no doubt that now God is leading him away. Words are inadequate to describe what his life and ministry has meant among us. When I came seven years ago the first words I heard about Jack from one of the members was: "He's the finest Christian I have ever known." That testimony has been added to through the last seven years and we praise the Lord for what God is going to continue to do through this man and his family.

SPECIAL SUNDAY SCHOOL LESSONS ON TAPE

The response to the four Adult Sunday School sessions in the auditorium was terrific. I appreciate Ward Walker sharing this responsibility with me. Many have asked if these four lessons are on tape. **WE TAPE EVERYTHING.** Yes, they are available through the church office. You can get them as a set of four studies for \$6.00 or individually.
