PASTOR'S CORNER

During the morning worship service this Sunday we will present to the church the ESP program you've been hearing so much about lately. Let me urge each of you to be present for this service. I believe this could be the best thing that has ever happened to our church. Our future growth and ministry could well be determined by your reaction to and participation in ESP. There's a place in ESP for every one of you. Don't miss this Sunday morning.

SPECIAL ESP BIBLE CONFERENCE with Dr. John Hunter begins Sunday morning, January 19. Dr. Hunter is from England and has been associated with the work of Capernwray Hall and Major W. Ian Thomas for many years, since 1960 in a full time capacity. He gave up a position as a Principal in a State School (where he served for fifteen years) to assume his full-time responsibilities with the Torchbearer organization.

In addition to regularly lecturing at the Capernwray Bible School, Dr. Hunter also assists in conducting Bible conferences at Capernwray Hall, as well as teaching and preaching the Word of God in conferences, churches, colleges, and other institutions throughout Great Britain and Europe.

Of him, the Southern Baptist Sunday School Board says, "He raises Christianity from the realm of mere theory to the day-to-day experience of reality."

This Bible Conference is a rare privilege for our church. Plan to attend every service, January 19-22.

SURVEY OF THE BIBLE is the new course I'll be teaching during this quarter's Training Union. This is going to be, as the name implies, a survey, a panoramic view of the entire Bible. During this quarter, we will study the Old Testament. Next quarter, the New Testament. If you attend both quarters faithfully, you should acquire a working knowledge of every book in the Bible. This can be a very valuable course, because the subject is so valuable. Sunday School teachers are especially invited to take this course.

ONE OF THE BEST THINGS ABOUT LIVING IN TEXAS is the Texas Evangelism Conference held every year in January. And nearly every year, held in Dallas, a suburb of Irving. Of all the state conventions and conferences, this one is the best. The day sessions are at the First Baptist Church in Dallas, and Dallas Memorial Auditorium is the site for the evening sessions. Monday night the main speaker is S. M. Lockridge, who is the greatest! Do your dead level best to hear this Prince of Preachers. Thursday evening, Dr. W. A. Criswell from Dallas will be the featured speaker. The night meetings start around 6:30. Better go early if you want a good seat. I hope many of you will take advantage of this great confer
