BADRY'S BEGIN MINISTRY MONDAY

PASTOR'S CORNER

JIMELL BADRY, NEW MINISTER OF MUSIC, ARRIVES

October 20th to begin his work with us. This will be a red letter day in the life of our church.

This is a note to let you know how pleased I am that you and your church have secured the services of Mrs. Jimell Badry to serve as your new minister of music.

I commend you and your fine church on your selection and I expect to hear some fine things from your Ministry of Music under his creative leadership.

Sincerely, Bob Burroughs.

Carolyn, Jay, Jimell, and Ann Carol Badry

THIS IS ONE RABBI WHO'S GLAD TO BE BACK HOME

There's no place like MacArthur Blvd. — that can be good or bad, I guess, but for most of us it's good.

Of course, there's something coming over the hill that will reveal just how good we really are — REVIVAL. Revival is always a time of testing.

THIS PAST WEEK I TALKED TO JAMALL BADRY

who'll be leading the music for our revival, and I got excited just listening to the plans for the music!

A SPECIAL NOTE ABOUT MIKE HEAD Mike, 9-year-old son of Norman and Margie Head, has been in the M. D. Anderson Hospital at Houston for the past month.

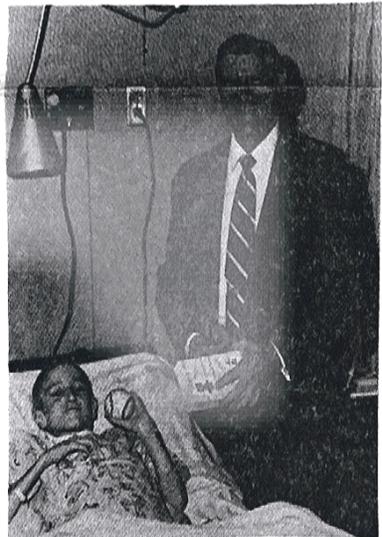

Recently the Cincinnati Reds were playing the Astros in Houston and some of the players worshipped at Willow Meadows. Dr. Langley seized the opportunity to get the players to sign a baseball for Mike.

"Bible and a baseball? A gift for a sick-room? And why not? The Bible is indeed GOOD NEWS for every occasion. And the baseball in this case is from the Cincinnati Reds of the National League West.

Even though the Reds were pounding down the home stretch of one of the hottest pennant races in baseball history — some of them took time for worship (Sun., Sept. 21) at the Willow Meadows Baptist Church near the Astrodome in Houston.

And this day, they not only took time out to worship but to sign their ball for little 9-yr.-old Mike Head of Irving's MacArthur Blvd. Baptist Church — in M. D. Anderson Hospital and Tumor Institute.

On their August stop-off in Houston this same Cincinnati team had left a similar baseball-gift for a little Baptist boy in for brain surgery from Big Spring. It's good to know these big strong healthy men of sports care — and are ready, willing and able to express their concern and encouragement."

I know this meant a great deal to Mike and we at MBBC appreciate Dr. Langley, his great church, and the Cincinnati Reds for their special interest.

REVIVAL Announcement

Our revival with Bro. Dunn and Jamall Badry begins Sunday, October 26. Keep these special dates in mind:

SATURDAY, OCTOBER 25 — Youth and Adult Choir fellowship and rehearsal.

FRIDAY, OCTOBER 31 — Special Halloween fellowships for grade schoolers and youth.

SATURDAY, NOVEMBER 1 — Religious concert by Jamall Badry.

There will be two choirs rehearsing at 7:00 p.m. each night and singing at each service.

If I were to ask you "What would you like to see accomplished in this revival?" The answer would be obvious and easy. But if I were to ask "What do you plan to do to accomplish this?" The answer may be more difficult.

"Whatever you vividly imagine, ardently desire, sincerely believe, and enthusiastically act upon . . . must inevitably come to pass!"

As I See It!

AN UNLIKELY TELEPHONE CONVERSATION

"No, Johnny isn't planning to be in school this year, Mr. Principal. You see, he has so much to do in Sunday School, Training Union, Sunbeams, and Choir, that he simply doesn't have time to take in everything down at school."

"Just to tell you the truth about it, Mr. Principal, Johnny didn't particularly enjoy last year, and you know I don't want to just 'Make' him go. I think I should let him make up his own mind about it."

"I'll talk with him a little more about this, Mr. Principal, maybe he'll change his mind. But if he doesn't make it this year, perhaps, he will come on back and really get interested next year. Thank you for your understanding, Mr. Principal, and goodbye."

The Organ Prelude

I sat in church the other day A grand old gospel hymn on the organ played; I breathed a prayer to Him And my inward spirits seemed to roar With the organ's deepening roar.
