1 John 2:15

2D

① World = sum-total of human life in the ordered world, considered apart from alienated / from, & hostile to Θ , & of the earthly things which seduce from Θ .

It is the ordered system of which Satan is the head, his fallen angels & demons are his emissaries, & the unsaved of the human race are his subjects, together w/ those purposes, pursuits, pleasures, practices, & places where Θ is not wanted. Much in this world-system is religious, cultured, refined, & intellectual. But it is anti- Θ & anti-X.

Love = Place value upon. Pres. Imperative in a prohibition which forbids the continuance of an action ~~that~~ already going on. Some were still loving the world-system out from which they had been saved.

Do not In Him - This means more than that he does not love Θ ; rather, that the love of Θ does not dwell in him

as the ruling principle of his life. (2)

It is impossible for love to the world to
coexist w/ love to \emptyset , as it is impossible
for light + darkness to ~~coexist~~ coexist.
