

John 3:1-8 - Three ways to fulfill great commission -  
preaching, praying & paying = 3 marks for money = the  
Lord's money

I - The will of God is for all men to be saved

1 - heaven we're commanded to pray for all men -  
2 - will - marking a determinate purpose. Desires all men  
to be saved -  
God has given men limited freedom - freedom to choose,  
but not freedom to escape the consequences of that choice,  
John 5:4 - "what more could I have done?"

God - man met at cross  
- comprehend claims of God  
needs of man

II - The why of God for all men to be saved or  
Thru X -

1 - ~~light~~ = shine a little light into bird's eye & he shuts  
them. A brighter light won't make them open  
their eyes. If a man won't respond to the light  
he has, he won't respond to all light.

The mediatorial is made effective by two things

- 1 - His death as a ransom
- 2 - the declaration of that death of Rom 10.

vs 5 = define the content of the knowledge of truth &  
desires all men to know = there is one God & one  
mediator between God & men

Ransom = anti-bore = instead payment

the intolerance of Trinity - **As is math = 2+2=4**  
the finality of Trinity - we want Dec to be dogmatic  
" " " " " "

But we want to create God in  
our own image.
