

Col 3: 18-41 - Paul starts in heaven  
the father - Paul was talking about something, maybe his business -  
Bible sets around to saying something about everything.

- Home & Work 3 main elements = Church, Home, Work.  
Two great principles = ① Reciprocal Obligations  
② all relationships are "in the Lord." the whole  
of the Xian life is lived in the Lord. introduce X into  
every relationship -

I - Wife TO Husband = ① Submit = obey, subject -  
② - adapt your life TO husband - implies that husband  
is head head, no chairman of Finance Committee  
③ Love in the Lord = phasing TO X - a spiritual  
obligation marriage like game of checkers = see  
who can get to King now first

II - Husband TO Wife = two (two)  
① Love = why tell husbands to do this? -  
Love = high esteem; supreme worth,  
no unceasing care for her well-being.  
② not bitter = Treatment = kindly, not harshly.  
- Submission doesn't allow tyranny.

III - Children TO Parents =  
① Obedience - not all, not enough. To listen TO  
+ do - they aren't to be judges of what to  
do + not do.

IV Parents = deserve obedience & make it easy  
make demands so unreasonable, irritating TO wrath.

V Masters & Servants = work good because  
reputation of X bound up in whether you do.  
- judged on basis of working for boss? (do heartily  
from best)
