

Col 1.15-22

The Preeminent Christ —

Healing on Demand =

we know what is best for us —
as tho we know what's best
for us.

— if I had ~~had~~ asked me, I would have
said 'me' — that's why I didn't ask
me —

To Helen —

I don't believe anybody who
says they don't want this world's
riches.
