II - Despise Dominion = Angels in vs. 6
dominion: Lordship, power, authority,
ruling power - majestic power X -

despise: annul, make of no effect, ignore -
not recognize

- to put as of no value = not placed -
we reserve a special place for some things - Sin
has a reserved seat - but Lordship X no
place in our lives.

→ to act toward anything as if it were
annulled.

1. Follows deify, the flesh = attempt to
justify conduct - result is a loss of reverence.

→ X's Lordship means nothing ←

2. Prefer anarchy to authority

3. These two things always connected →
those who abandon themselves to sin also
want to abolish authority
