

The Pastor + His People - Gal 4:12-20

I
The Pastor's ambitions - "X formed in you"
Full growth - Eph 4

II The Pastor's attitude

1. tone of affection - "my little children"
v20
 (1) seen in his Fatherly concern
 (2) seen in his Faithful - through sick
 (3) seen in his forgiving - v12 - done me no wrong
 - with hugs
2. one of agony - v14 - never = unit go w/out them
 (1) Bring into world - Paul: in continual sorrow
 (2) Bring up in world - X's incarnation + womanhood

3- one of adaptability = I became as you were
not compromised - learn from them, know them
start where you are
& take them where you want them
Jews + women
as well

III The Pastor's Authority angel

- 1- a commission from G. v14
- 2- a communication of G. v16

sermons are easy, messages are hard
not popish - w/ the authority of a
dictator, but of a leader
God is behind

a message from G or
a message from
G behind

- not the authority of dictatorship, but leadership
- people-led, not pastor-driven
