

DYING TO LIVE Jn 12: 20-26 - Intro Seymour French's parable of a shipwrecked sailor, nature of Island make him absolute ruler - for one year. Then banished to a deserted island - two alternatives: consume everything they give him, spend it, enjoy it for the moment - or store away for future use. - two things you can do w/ a seed. Right now you are living

we live in an age of instant gratification  
your life is a seed now, not a fully developed plant - establish Principle + Explain the Principle  
Dying to Life Begins us -

Fruitfulness v 24 - the Principle - 2 cor 4:10  
Abe + Sarah

II Fulness - v 25 - hate life = psyche - 2 cor. 7:9  
of the mind, the ego, the known personality that  
Thinks, plans for future, charts it's own course = this  
to what we must die IV. The Independent Will.

2 - will lose it = Present tense = are right now  
using it - destroy see fruit Indians + Bears

3. eternal life John 10 - life is life more abundantly -  
fulsome when surrendered

III. Faithfulness

1 - where is Jesus? - we are there

2 - where are we? - Jesus is there

the Father's honor, favor, approval

for Kingston sermon - Tito + Yugoslavia

John 20 -  
in different form -  
"when saw you washed,  
when saw you hungry"
