

① The witness of the Spirit toward
the world 16: 8-11

a. Reprove the world ~~of~~ sin =
to convict so that the conviction
is actually felt = make them squirm

② Squirm about sin = because
they refuse the salvation from sin x offers.
why they get drunk & use drugs.

③ Righteousness = it is available
because x has gone to the Father - the
Father was satisfied w/ the sm = it is a
great thing to be satisfied w/ the
same thing & is satisfied w/

{Gurn has such a following because
he offers men the fruit of Righteous-
ness (peace) w/out necessity of
being righteous}

④ Judgment - this is cause of fear of
death - The proof that men are
going to be judged is because Satan
has been judged - if the Prince
has been judged, then all who follow
the prince will be judged
- when you go to witness to lost men,
the ground work has already be
laid - ours is to give solution
