

July 8, 9, 10 - Intro. Some people hard to wake up - (George Hour in class) -

can turn off alarm & never know it -

Jules says people like that spiritually -

vs 5-7. 3 terrible warnings of O's judgement -

"yet" in spite of it, they continue in the same

ms - "likewise" in the manner - turned off O's alarm clock - Dreamers: sleep & sin - deaf to

Truths & warnings of O's word - senses locked up by a deep sleep - numb, past feeling, like

a man drugged. Live in an unreal world of

own imaginations - take real for unreal, etc.

"You're dreaming!" stupefied, destitute of reason.

- Something demonic in man, makes him destroy self - won't come to & rub eyes -

How words "in their dreams" covers all 3 faults -

Leads them to:

Car wreck - "can't happen to me" sent beds -

Intro, high of load, into arch from O's - dangerous curve - right angle -

3 sets of rds, washboard to another - next do, some don't, accident.
