

Intro: Isa 40-57-31 & Compliment
 most common affliction = I no longer active in the personal
 affairs of man - worked in some way but all ancient history - we're passed
 then a time barrier - right all where machines were function -
 24 Cricket - "what man with men at me"

Text - Israel in Captivity - 200 of stars = Dis quiet as active as ever
 to knowt given way or fainted
 knowledge of God's memory = Substitute Power/Promise for Power of Present
Points to God's might, Power/His Kingdom/His Hope

Power
I - The Resources of God are absolute in this world -
adequate
 1 - as seen by Creation = v. 22, 23 - calls the stars by names - the
 named them - v. 26 = not one failed - supplies their need
 - a vision of God's greatness - v. 26 = military figure of calling out
 troops
control - Rules & men
 2 - as seen by Contract - v. 28, 30 - v. 30 is one history of every one of us

God faint = lose heart, give up = heart weary - Difference between
generation = my fainted earlier man we did
 - we will lose what makes us give a joy -
 - long before we're old physically, we'll have begun to decay -
 - spiritual breakdown - Take edge of life
young men = with selected for military duty
 3 - this is constant = v. 28
The contrast w/ youth faint
Power
II - The Resources of God is available to the weak is = is always the answer
 is = is always upris
 is = is who He

1 - Isa 40-57-28 = God shares His strength - 1. God not weary
 2. keep unshakable Faith in God
 v. 31 - Swan, run, walk

Review - Exchange = a trade - on a trade you must let
go of your own in order to get His
 "My gifts, alone, cannot suffice
 unless myself be given,
 My presence makes my paradise,
 & where Thou art is heaven."

always doubt,
 worry etc is a lack
 of understanding, apparent
 faith is the character
 of God - therefore, He
 is the answer.

III The Power of God is appropriated by waiting v. 31
 1 - wait - tension of a rope - hanging, depending
20 of test experienced but ends
 2. Hudson Taylor
Your

He gives strength to the weary
He increases power
