

Outline

- 1- The Lion Eye is one of warfare - Ship of Zion -
- against 5 times in his passage
- 2- a Spiritual battle, therefore spiritual weapons needed = notice the equipment - don't say a thing about physical resources, etc programs, organization = N.T. doesn't say anything about it
awake to the war
acquainted w/ the enemy
armed for the conflict
stand ... Praying
- 3 Now, we're aware, acquainted & armed -
now what are we told to do = Preach, build, witness - NO - we're told to PRAY
Prayer is the ~~best~~ war - Rom 15:30
Col 4:12
Eph 17
James in Acts sense
"Show me the way to the war ..."
- 4- all this is simply getting us ready to pray - it takes all this to be prepared to pray
we defeat Satan thru prayer, we win battle thru prayer, spiritual means = amazing revelation, completely contrary to present-day set up.
we forfeited thru NO show
Now, I know why church has been failing - they failed to show up - wrong theater, war, haven't found the enemy yet. We've been fighting on a carnal plane when the war has been on a spiritual one
