

Xenophobia is a life of faith - without faith impossible  
to please God - Rom 14: "whatsoever faith is  
sin." - Gal 2:20

- X didn't many mighty works because of their

demoniac = "Because of your unbelief"

- 1 John 5: "This is the victory - even our

woman in Mk 5 - vs 34 = Everything she did  
was an expression of her faith - How it  
operates

I - Basis or Beginning of Faith is God's Willingness

X was willing to be interrupted on journey - God is  
willing to give us what we ask for, even if it means  
a delay in our journey, & even if it means death at  
the end of journey. More willing to give  
than to receive

there is no unwillingness then God = else why the  
many scriptures encouraging us to pray.

Jesus never refused to help anyone who  
came to Him.

II Knowing what to ask for - did she have  
any difficulty in knowing what to ask for? No.  
Ask for what you need.

III God Can Do the Impossible  
Her creditor = if I can but touch 1 coin  
Soaking = if I can just get hold of God,
