

Way to Revival = destroying idols = Reformation
preceded ~~new~~ revival - but we often stop short -
Revival demands thorough repentance = even Xian idols =
need insight to recognize it & courage to smash it -
- making religious relics out of spiritual experience -
- man's habit of perverting God's blessings = greatest curse
in blessings abused & misused -

* Worshipping The Past, a Past Experience

Good to remember the past, as encouragement
we are worshipping the Past when we:

- 1- Substitute the Past for Progress
- 2- Excuse the Present Because of the Past
- 3- Confuse the manifestation of God for God Himself
- as though it was the brass serpent & did not heal;
- 4- ~~a ~~past~~ experience~~ memory for a living Relationship

What to do?

- 1- Name it = See it for what it is
- 2- Destroy it
- 3- worship God = Seek God.

Psa 84:11 - There is Sovereignty here - "I could withhold if he chose to."
